STREATOR HIGH SCHOOL MARCHES ON

It was in 1875 that a group of progressive citizens of the Streator community brought about the formation of the Streator Township High School. The founders of our school were men and women who were looking ahead and were thinking only in terms of the welfare of the youth of their day and the days to come. For nearly three quarters of a century Streator Township High School has continued to serve the youth of the community. Thousands have passed through its class rooms and halls and have found their places in industry, the trades, agriculture, and the professions. The school was founded during the reconstruction period following the Civil War. Since its establishment three major wars have been fought and depression and boom periods have come and gone, but always through the steadfast leadership of courageous school boards, administrators, teachers, and students, the school has continued to grow in influence and usefulness. Today the challenge is greater than ever in the history of the school, but if those that are intrusted with the management, operation, and administration, are true to their stewardship, as have been the men and women of the past, Streator Township High School will meet the challenge successfully and will continue to meet the needs of our youth.

We should be truly proud of our high school and of the privileges that are ours —to serve, to partake of the educational service it offers, and to have a part in its support. May we all continue to work together, citizens, teachers, and students, to build a better Streator High School.

A new member of the English department is Miss Gwendolyn Harris who formerly taught in Colfax, Illinois. She filled the vacancy caused by the resignation of Mrs. Lowell George. Mrs. George is living in Urbana where her husband, a former Streator high instructor, is doing graduate work at the University of Illinois. Miss Helen Haeger filled the vacancy in the girls physical education department. Mr. Paul Bridges, formerly manual training teacher in the Streator elementary schools is the new member of the industrial arts department. Mr. Potts, graduate interne in agriculture, assisted Mr. Baysinger throughout the year.

Mr. Robert Schramm, a former instructor in our school, joined the faculty this year as co-ordinator of the diversified occupations classes. Miss Bertha Rogers, after a year's leave of absence, returned to her position in the home economics department. Mr. Lowell Dale resigned from the faculty in October. Mr. Dale who came to Streator in 1918 had been associated with the department of athletics for the past thirty years—first as coach and later as director of athletics. He had also acted as dean of boys for the past ten years.

Streator was selected as one of the four high schools in the state to lead the way in a new vocational program. The Diversified Occupations program may be described in general as a cooperative effort on the part of industry and the school to extend on-the-job training to the in-school youth. Students to be eligible for the program must be at least sixteen years old; must have a junior or senior standing in high school; must possess a definite aptitude, interest, and capacity for learning an occupation; must carry two regular high school projects; and spend three consecutive hours each day on the job, for which they receive regular pay.

STUDENT COUNCIL

The Student Council, which is composed of one representative from each home room, coordinates all school activities. It also discusses current student problems and attempts to solve them in ways that are satisfactory to both students and faculty. This year each representative was kept busy helping with the many activities and projects undertaken by the council. Among these projects were: the installation of a loud speaker system in the auditorium; Red Cross collections; "A Gift for a Yank" campaign; and concession stands at the basketball games and Golden Gloves Tournament. The council also planned an enjoyable Christmas auditorium program for the students. Mr. Edie, sponsor, and several student delegates attended the Illinois Congress of Student Councils in Chicago, March 26 and 27.

As has been the custom the staff met last year before school was closed for the summer vacation. At this meeting a new studio was selected to do the photographic work. Last fall when school started the staff began to prepare this annual. The "Parade of Events" was chosen as the theme of the book. This theme was presented to the students in that stimulus for sales, the Hardscrabble skit. Soon after, orders for books were taken. By devoting sixth period each day to the Hardscrabble the staff was able to complete the basic work in March. With the spring dance and delivery of books the staff's work ended.

YEARBOOK CLOWNS AT WORK

THE REVIEW

The Streator High parade of "on the spot" news, editorials, gossip, and sports write-ups was taken care of bi-weekly during the year by the journalism class, who, under the direction of Miss Moynihan, published our school paper the REVIEW.

Subscriptions of one dollar were taken early in the year by the staff, who also delivered the papers to the students. The increase over last year's price made it possible again to make the REVIEW a four-page publication and for the first time to use photos to keep up on events. Al Healy, a freshman, was the REVIEW photographer this year.

THE REVIEW

In publishing the REVIEW the journalism students learned the practical application of all phases of putting out a small paper, including editing, reporting, copyreading, and financing. By changing editors every issue, each student was given a chance to give as well as to take orders and thus learn to cooperate with his fellow students.

A wide range of material was covered by the REVIEW this year. An effort was made to include a write-up of every club, sport activity and event in the school, to please the whole student body.

AND PERHAPS A POISON PEN

"A" BAND

Ladies and Gentlemen, and Students of Streator High—here is the band of 1949. On the first day of school they began their practices for the performances given between the halves of the football games. Many amazing formations, the "Four-Leaf Clover," "Peg of My Heart," and the initials of the visiting teams were created for these performances. Probably the most outstanding was the clock with the moving hands performed to the music "Now Is the Hour."

On October 23 the band went to the Illinois State Normal University Homecoming at Normal, Illinois. There they entered into competition with eleven other bands. They received a first place rating as the best "all around" band and came home with the third trophy awarded them in two years. Starting in December the band entertained the spectators at the basketball games with their playing of snappy marches and hit tunes.

In accordance with the school tradition only seniors hold offices in the band. The officers elected this year were: president, Grace Ann Moore; vice president, Delores Brock; and secretary-treasurer, Harry Dawson. A council consisting of two other seniors, Wesley Knight and Anne Louise Keller, were chosen by Mr. Brix to work with the officers.

As a climax to a successful season the band presented the spring concert on May 5.

GLEE CLUBS

The activities of our glee clubs this year will live in the hearts and minds of each and every member of the clubs. On January 21, 1949 all three choruses brought to the people of Streator a program they shall never forget.

This program consisted of selections by the Community Orchestra, solos by members of the choruses, and a cantata, "Sir Nutcracker." by Tschaikowsky. The girls, in formal dress, presented a colorful picture.

In the spring the advanced girls glee and the boys glee presented the lively operetta, "The Belle of Bagdad."

The accompanists for the glee clubs were Donna Dorland and Diane Lotz.

INTERNATIONAL RELATIONS CLUB

Here they come! The International Relations Club marching along, with Washington, D. C. as their goal.

Meetings were held in the evening on the first Thursday of every month. The programs consisted of panel discussions and debates. The Christmas program consisted of skits depicting Christmas in other lands. At one of the early meetings the club enjoyed the showing of the kodachromes taken by Miss Bash and Miss Butz during their trips through Europe.

The first project was a mock national election with the aim to better educate the students on how to conduct an election. Two days before election day representatives visited the home rooms with registration blanks for anyone wishing to vote. On election day the four corners of the gym were used as the precincts for freshman, sophomores, juniors, and seniors. The polls were open from 7:30 a. m. until 4 p. m. The results were the reverse of the national election. You guessed it—the Republicans won.

A momentous undertaking, a trip to Washington, D. C. for thirty members and several chaperones, was decided upon early in the year. The club went "all-out" to finance this trip. They sold magazine subscriptions, had concession stands at the basketball games, and sold home made candy. The grand finale was the successful presentation of a musical revue, "The World Follies", with a cast of 50 students. The skit was written by the club members and directed by Karl Brix III.

FUTURE FARMERS OF AMERICA

Dances . . . vacations . . . magician shows . . . conventions . . . livestock shows . . . basketball . . . Hey, I thought that I was reading about the Future Farmers. Well, you are! The boys do more than just plant corn or raise pigs. Everyone can remember their famous apple-cider dances, the bang-up way they sponsored the magician show last fall, those fluorescent lights they installed in the tunnel, and also the conventions they attended.

Mr. Potts and four members of the club spent the week of November 14-19 in Kansas City, Missouri at the National Future Farmers of America Convention. The activities of the F. F. A. continue during the summer. Last summer several of the boys attended the Sectional Fair at Mazon and the State Fair at Springfield.

Fun, as it sounds and is, isn't all the boys have, however. The aim of the club is high, as it's name implies, and the boys work hard toward attaining it. They start as freshman "Ag" students and advance by learning through doing. The freshman boys have been working in the shop much of the time this year constructing feeders and other farm equipment.

For several years the club has had as one of its major projects the raising of capons. Last year the fourteen boys raising the heaviest capons were awarded a vacation trip for one week at Devil's Lake, Wisconsin.

Besides installing the lights in the tunnel the boys made several other improvements this year. A new typewriter and table, an adding machine, and an electric stove were added to their equipment.

Regular meetings of the F. H. A. were held at noon on the first Tuesday of each school month in the home economics apartment. These meetings were conducted under the guidance of Miss Riegel, Miss Rogers, and Mrs. O'Neil. Games, talks, and dress reviews were featured.

Parties, in keeping with the holidays, were held in the evening of the last Thursday of each month at the homes of members.

To replenish the treasury, members of the club sold Christmas cards and gift wrappings. They also held a dance on October 8 to raise funds. The highlight of the dance was a square dance, given during intermission. Taking part in the square dance were Emma Lou Walling, Phyllis Sauers, Rosemary Killian, Patricia Lechner, Floyd Riss, Logan Sommer, Marvin Brickert, and Forrest Grossman.

The club also undertook the project of making a scrapbook which contained letters, pictures, and other materials connected with the year's activities. The scrapbook committee was composed of Delores Brown, Nancy Mortland, Marge Voights, Edith Finger, Margaret Chalkey, and Mary Murray.

In January, Edith Finger, Emma Lou Walling, and Delores Brown, accompanied by Miss Riegel, went to La Salle where they broadcast over WLPO in the interest of the F. H. A. of Streator High School.

A mother-daughter banquet was held on April 28. The officers were in charge of general arrangements and the younger members served.

Plans were also made for sending a representative to the state F. H. A. summer camp which is held August 2-6 at Bloomington, Illinois.

DRAMATICS CLUB

Now passing in review is the Dramatics Club. The year's program started with a barbecue supper at which the new members were initiated. In November many of the members went to La Salle where they attended the Margaret Webster production of "Hamlet."

A schedule of plays presented during the year included "Night of January 16", a three act comedy drama, and "Two Gentlemen and Verona", a three act comedy. The following one act plays were presented: "Birds' Christmas Carol", "The Perfect Gentlemen", "The Balcony Scene", and "Mildred Is My Name". "The Balcony Scene" won honors in the district and sectional speech contests and was presented at the state meet on April 2. The cast included, Howard Chamberlain, Thais Copley, Bernard Kotansky, Floyd Riss, June Smith, Betty Thies, Ruth Thies, and Milton Lounsberry.

Members of the club and of the speech classes assisted in the arrangements for the sectional speech contest which was held at the high school on March 12.

DIVERSIFIED OCCUPATIONS CLUB

Membership of the Diversified Occupations Club was made up of those students enrolled in the Diversified Occupations Program. The purpose of the club was to provide an opportunity for the students to get together and exchange views on the various problems encountered through their work, and become better acquainted socially. It also provided an opportunity to bring the employers together to promote better public relations.

The regular scheduled meetings of this club were on the second Thursday of each month.

The officers were: president, Ronald Applegate; vice president, Harold Mackey; secretary, Mary Ann Mayerchin; treasurer, Mary Ann Morse; and sponsor, Mr. Robert G. Schramm.

AERONAUTICS CLUB

The Aeronautics Club started its second year this fall with the usual undertaking of various aviation projects. These projects, which were based on model airplanes, included the study of construction and design, and theoretical and applied flight. To carry out these projects, the members gave talks, demonstrations, and flying exhibitions.

The officers included: president, Kenneth Osterdock; vice president, Donald Chadd; secretary-treasurer, Carl Erler; and sponsor, Mr. Edwards.

COACHING STAFF

Five coaches led the Streator High teams through another successful season.

Joe Richards, a graduate of the University of Iowa, was the head coach of the varsity football team. Joe has completed thirteen years of coaching at Streator, and as usual put out a winning team. Joe also coached the golf team.

Ben Westlake, a graduate of Northern Illinois State Teachers College, was the coach of the varsity basketball team. This was Ben's third year as head coach, and he put out a team that presented many thrilling games for the fans.

"Swede" Lundberg, a University of Illinois alumnus, was the coach of many sports. He coached the fresh-soph and the freshman football teams, assisted with the varsity line, and also coached the All Staters. This brought many boys under his supervision.

"Mike" Signorella was graduated from Colorado State College. He has been in Streator for four years. During that that time he has coached the track team and has had much success with the cross-country team which he has coached for the past two years.

"Lenny" Mueller, an alumnus of Illinois State Normal University, was the coach of the baseball team and of the newly organized freshman basketball team. This is his second year of coaching the baseball team.

VARSITY FOOTBALL

The 1948 football squad was coached by Joe Richards and as usual a winning team was the result. Joe had good material to work with, for of the 33 members of the squad, 18 were seniors with previous experience.

In the first game of the season, Streator was defeated by the Kankakee Demons by a score of 25-0. A week later, however, they met Ottawa, their traditional rivals, and with the old Bulldog fighting spirit won a sparkling 27-13 victory. Streator then traveled to St. Bede where they suffered a 41-7 setback, but a week later were triumphant when they defeated Marmion 37-7 on the home field.

The first Big Twelve game ended in a victory over Peoria Central 27-13. The team was unsuccessful however, in the contest with Pekin as they lost by a 21-6 score. Danville was defeated by a 27-6 score on the home field. The next Big twelve team was encountered at Peoria where Streator defeated Manual by a score of 19-13. The season was brought to a successful conclusion by a 19-13 victory over Champaign on the home gridiron.

Jack Greenwood, Louie Kerestes, Stewart Kristal, and Ralph Baiett received honorable mention on the all-state team.

Dovin Kutches
Morgan Witko Benckendorf
Weber Huckins Barickman Kristal

JOHN DOVIN—John was a hard charging, dependable, tackle and saw action in every game.

JOHN KUTCHES—Jack was a heady lineman and a hard charger who really jolted his opponents.

TOM MORGAN — Tommy was a light man but could play a good game both offensively and defensively.

BURL WITKO—"Buck" was the boy with the educated toe who gave Streator the extra points after touchdowns.

GLEN BENCKENDORF — Glen was a capable reserve and saw considerable action.

LOUIS WEBER—Louie was a hard tackling reserve guard and saw a lot of action defensively.

RICHARD HUCKINS—Although he was not a heavy lineman, Dick gave a good account of himself in every game.

BERT BARICKMAN—When there was good hard playing to be done in a game, Bert was always there.

STEWART KRISTAL—Although injured early in the season, "Stu" later made a very good record.

GRADUATING MUSCLE MEN

RALPH BAIETT—"Ted" was a capable man at center and won honorable mention on an all-state team.

JOHN BACHA—John, a reserve halfback, was a hard tackler and saw a good deal of action.

BOB RUDDY—"Red" saw action both as a reserve quarterback and as halfback and was good in both positions.

DON FRIEDE—"Dutch" was a spark plug of power and a hard man to stop.

CALVIN FLAVEL—Cal, a reserve halfback, was a hard tackler and saw action in many games.

DON REPKO—"Duck" was a reserve quarterback and saw action throughout the season.

LOUIS KERESTES—Louie was a fast, hard tackling, halfback and was a tough man to stop.

DON PHILLIS—Don was not only a tough fullback but was also a capable punter.

JACK GREENWOOD — Jack, a speedy halfback, was especially noted for his long runs. He also won honorable mention on an all-state team.

VARSITY BASKETBALL

The fighting Bulldogs did fight hard this year. Even though they won but eight games, the squad next year will benefit because of the experience gained in this year's tough schedule.

The season, however, was far from dull. The squad really started clicking the last half of the season. Coach Ben Westlake made several changes in the line-up and switched positions for some of the boys until he found the best team combination. It helped too, as the team won seven of the last thirteen games. They lost in a regional battle with the undefeated quintet from Seneca by a close score of 48-46.

Coach Westlake used several styles of play for various games throughout the year. The most effective were the fast break, and the revolving offense which was an excellent method of holding the ball until an opportunity for a shot arose.

The team was quite effective also with their long shots. Several games were saved by dumping in one or two goals from way out on the court.

KEN ROBINSON, Center

Ken played wonderful ball all season. He broke several local and two Big-Twelve scoring records. He won a place on the Big-Twelve All-Star team at forward position.

BOB GEE, Guard

Bob was well known for his ball handling ability. He played good ball all season and had the reputation of being a hard fighter.

LOUIE KERESTES

Louie, although not a regular member of the squad, was a reliable man and a cool ball handler. He saw action in almost all of the games.

ALL STATERS

The All Staters had a rather disheartening season this year in that they played seventeen games and of these won but five. Everyone knew that these boys fought hard enough to win all of these games but luck was not with them. The team played good ball all year and Streator should be able to look forward to several years of victorious basketball teams.

This was "Swede" Lundberg's third year of coaching the All Staters. He did a wonderful job in working up good material for the varsity squad.

The All Staters gave the fans some very exciting ball games this year. The majority of the fans would come early to be sure not to miss the preliminary game.

BASEBALL

The 1948 baseball season ended when Streator lost to La Salle-Peru in the regional tournament. The team played good ball all season winning 14 games and losing but 6. Ten boys graduated in June. When Coach Mueller issued the call for baseball in October 1948, 60 boys responded, thirteen of these being members of last year's team. Those boys were: Bill Stacell, Angelo Abbott, Eugene Soens, Calvin Flavel, Don Phillis, Howard Mackey, Ronald Christmann, Jim Singer, Mark Healy, Don Friede, Louis Kerestes, John Hawdon, and Max Liptak. Graduating "S" men on the 1949 team were: Don Friede, catcher; Bob Gee, pitcher, Louis Kerestes, third baseman; Harold Mackey, pitcher; Bob Allen, second baseman; Don Phillis, center fielder; Bob McCloskey, center fielder; and Calvin Flavel, left fielder.

TRACK

The 1949 track season was launched with a meet on April 5. The records made at that meet seemed to indicate a good season for the team. The Bulldogs literally trounced the Marseilles squad by a 80-25 score.

"Mike" Signorella's team was off to a bang up start with about 70 boys reporting for the first conditioning drills. The gang worked hard for several weeks to get in perfect shape for the opener with Marseilles.

Seventeen boys from the 1948 squad returned this year. Of this group the following ten were seniors: J. Greenwood, H. Studnicki, M. Brickert, J. Phillips, J. Lasak, C. Martin, L. Spivey, J. Bacha, H. Dawson, and M. Stevens. Glen Benckendorf, who returned to school this fall after two years in the navy, was a member of this year's team.

To promote the interest of girls in physical training, health, and sportsmanship, the Girls Athletic Association has been organized in Streator High School for over twenty-one years. This year, the G. A. A. was under the capable direction of Miss Helen Haeger who was assisted by Miss Helen Skurte.

The ambition or goal of every member of the G. A. A. is the local and state awards. Good health, sportsmanship, and points won in athletics are required for each award—600 for the class numeral, 1200 for the school letter, and 1600 for the first state award. Two thousand points are required for the second state award, the highest honor a member can attain.

A picnic initiation party was enjoyed at the beginning of the year. To replenish the treasury, a Sadie Hawkins dance was held on November 12. On April 2 the Streator members were hostesses to the G. A. A. clubs of Morris, Marseilles, and Mazon. The playday theme was "Radio Detectives". The committee in charge of arrangements was: Dorothy Shannon, Anne Louise Keller, Nancy Pickworth, Phyllis Sparks, and Marilyn Walling.

ALWAYS FAIR IN WORK AND PLAY

BOWLING

Under the supervision of Miss Skurte, G. A. A. members enjoyed two semesters of bowling. The games were held from 3:30 to 5:00 every Wednesday at the Streator Bowling Lanes. The girls were divided into beginners and advanced teams. In February, the girls participated in the Telegraphic Bowling Tournament of Illinois G. A. A. clubs. Although the girls did not win outstanding honors, the games were enjoyed by all who took part.

STUNTS AND TUMBLING

This year a new sport, "Stunts and Tumbling," was introduced into G. A. A. It was coached by Miss Haeger. This new interest brought out many G. A. A. members who were astounded at their own ability in performing stunts such as, pyramids, head stands, flips, rolls, tip-ups, cartwheels, and flying angels. Due to the interest shown, this sport will be continued in the future.

VOLLEY BALL

Volley ball stresses cooperation between teammates as well as the individual ability to handle the ball in serving and spiking.

Volley ball games were played each Tuesday after school during March and April. The thirty-four girls who participated were divided into four teams. The preliminary practices were followed by a tournament in which Team Number 1 was victorious. M. E. Hyduk, A. L. Keller, N. Pickworth, N. J. Reynolds, P. Sparks, A. Steczek, J. Panno, J. James, and P. Miller were the members of the winning team.

BASKETBALL

This year basketball was under the supervision of Miss Haeger. The thirty-three girls participating were divided into teams consisting of three guards and three forwards. To determine the basket shooting rating a tournament was scheduled for March 21. Shooting was attempted from eight different positions. Those taking part were P. Miller, I. DeMoss, J. James, M. Shinkey, A. Klein, A. Keller, N. Pickworth, M. Thew, M. Walling, P. Fairall, M. Marx, P. Sparks, A. Steczek, R. Steczek, M. Mottershaw, G. Stasko, A. Barnwell, and D. Shannon.

Routine for Ballet de Aqua

SWIMMING

Miss Haeger organized a new club this year. This was given the significant name, "Dolphins". Members were chosen in the fall. Any girl in the school who was able to pass the tryouts was eligible for membership. Club meetings were given over to the practice of the numerous routines of stunts, diving, and synchronized swimming. The main event of the year was the Ballet de Aqua presented on May 10 and 11. After much practice and many hours of work, the seventeen girls participating were overjoyed at the response they received from the audience. The aquatic events were made more effective by the beautiful costumes, good music, and lighting effects.

OTHER SPORTS

Softball was supervised by Miss Skurte on each Tuesday of the last two six-week periods. The girls were divided into teams and a tournament was held.

Each Monday the G. A. A. tennis players gathered at the high school courts. They were divided into beginning and advanced classes. While the advanced groups were improving their skill in serving and volleying, the beginners were given instructions by Miss Haeger.

CLASS HISTORY

The parade is advancing; we're on review
High School days left are very few;
We've threaded our way through study, fun, and sorrow,
The trials of preparing to be citizens of tomorrow.

Once we were Freshies — we brought up the rear;
Our first class dance was cancelled that year;
There were brown-outs, strikes, and trouble galore
Our activities were limited as never before.

We moved forward with less fear to face
Those upper class men of this great human race;
But the head of this line seemed so far, far away
It didn't seem possible that we'd be there some day.

Then we were Sophomores with time flying by.
The student council was born in our own Streator High;
New principal, new programs, began in the fall;
We were "Big 12" champs—that brought fame to us all.

Our Junior year—upper classmen were we
With a prom to be given and class rings to see;
Moonlight and Roses was the theme of our dance
And in that grand march we really did prance.

Twirp season began on one eventful day
Establishing the custom that the women must pay;
It didn't last long — Oh but long enough
To prove that the girls could really do their stuff.

Now as Seniors, our last year is here;
Strains of Aida, a cap and gown, and a tear—
More than the diplomas which in dust will fade—
Think of the knowledge gained and the friendships made.

This means it has ended; four years are gone;
But our part in the procession leads forward and on;
Citizens of tomorrow — Citizens of today
Bid your farewells and be on your way.
